Spanish for Kids

Did you know that your child's ability to learn first languages ends around the time they start middle school? After this all languages will be stored in an area of the brain that is for foreign languages. Your child can start learning Spanish now and it will be stored in the same area of the brain as his/her first language, i.e. English. This class is a fun and energetic way to learn Spanish through music, games and movement. Vocabulary, basic grammar and conversation will be taught.
